P/N.: AI LI251 T1

PCIe X1 Intel I226 Single port 2.5G Ethernet Server NIC

Specification

Compliant with PCI Express specification Revision 3.1(5GT/s)

MDI (Copper) standard IEEE802.3 Ethernet interface up to 2.5Gb/s

Complies with single port 2.5GbE RJ45 port (copper)

Automatic cross-over detection function (MDI/MDI-X)

IEEE 1588 Protocol and 802.1AS implementation

Supporting Time Sensitive Networking (TSN) Capabilities

Support IEEE802.3az-Energy Efficient Ethernet (EEE)

Drivers for WindowsR10 32 or 64bit/win11
